Complaints arise when a client is dissatisfied with an aspect of the RTO's services, and requires action to be taken to resolve the matter.

If a student has a complaint the first approach should be to the trainer/assessor to discuss the issue. If a satisfactory resolution cannot be achieved, the trainer/assessor will advise the student to contact the Active Training office.

If the training is being delivered by a Third Party (Strategic Partner), the student should firstly approach the trainer/assessor to discuss the issue. If a satisfactory resolution cannot be achieved, the trainer/assessor will advise the student to contact the Active Training office.

Where possible, all complaints will be resolved **within 14 days** of receiving the written complaint. Where the RTO considers more than 60 calendar days are required to process and finalise the complaint, the RTO will:

- Inform the complainant or appellant in writing, including reasons why more than 60 calendar days are required; and

Students have the right to lodge an appeal against an assessment decision if they feel they were unfairly treated during an assessment, and/or where they feel the assessment decision is incorrect and they have grounds for an appeal.

All appeals must be lodged **within 7 calendar days** of the date of the assessment result notification to the student.
